Rahul Lakhote, MBA MASc
Chief Executive Officer
Se:math Clay Products
3087 Sumas Mountain Road,
Abbotsford, BC V3G 2G5

Dear Mr. Lakhote,

This confirms that the Architectural Institute of British Columbia Gallery will host an exhibit featuring the work of Se:math Clay Products, tentatively scheduled for August 24 – September 24, 2010.

The exhibit will highlight the architectural applications and design considerations associated with this art form. The exhibit will consist of:

- Three brick murals representative of traditional art forms;
- two clay totem poles made of bricks;
- samples of unique bricks;
- other architecture-related materials developed during the coming months; and
- explanatory information panels.

The AIBC will not charge gallery rental fees for this exhibit. The AIBC will allocate \$750.00 toward an opening reception, if so desired. Se:math Clay Products will be responsible for all related production and transportation charges, as well as exhibit set-up and take-down. All exhibit-related materials and sponsorships subject to AIBC approval.

Please let me know if you have any questions. I look forward to working with you in the months ahead.

Sincerely,

Lisa Toyne, M.A.
Communications Specialist

Note: Exhibit dates and terms subject to change.

The AIBC is a self-governing body dedicated to excellence in the profession of architecture for the benefit of society, the environment and its registrants. Through our many community initiatives, professional programs and partnerships with other professional organizations throughout the province and across the country, we strive to be effective and successful ambassadors on behalf of the profession, its practitioners and British Columbia.
